

OLUWOLE OKE

Corporate Workplace Project Delivery Specialist · Riyadh, Saudi Arabia

MBA (Imperial College London), PMP®

okeoluwole@gmail.com · <https://www.linkedin.com/in/oluwole-oke-mba-a38b9a1/> · www.oluwoleoke.com

Two decades supporting corporate clients to shape their real estate portfolio strategy, define the programme and project objectives that flow from it, and build and lead the teams that deliver.

Twenty years · Three continents · Over \$2B delivered · 15 countries

Today I lead pre-construction delivery of Qiddiya Investment Company's corporate workplace portfolio in Riyadh.

Client-side delivery · Workplace strategy · Stage-gate & CAPEX governance · Procurement strategy · CAT A/B fitouts · MBA, Imperial College London

FLAGSHIP PROGRAMMES

Google Kings Cross HQ

London · 2023 · Workplace

Directed the technical PMO for Google's Kings Cross HQ through base build to tenant transition, establishing handover processes across dozens of subcontracted work packages and materially reducing handover time.

Marsh McLennan EMEA Portfolio

London · 2025 · Workplace

Directed the EMEA PMO and portfolio across Real Estate, Technology and Operations programmes in the UK, Europe and Africa.

JP Morgan Chase EMEA

London · 2024 · Workplace

Led the EMEA corporate real estate portfolio across London, Copenhagen and Lagos, implementing delivery and governance frameworks across the programmes.

Qiddiya Portfolio

Riyadh · 2025 · Workplace

Providing integrated programme, project and workplace specialist delivery across QIC's Commercial Offices portfolio, from workplace strategy and briefing through procurement, design governance and programme controls.

Four Seasons Hotel

Lagos · 2018 · Hospitality

On the project management team from RIBA Stage 1 to 4, coordinating the international design team and the procurement of the piling and main contractors, for a 125-key hospitality development with 30 serviced apartments.

MongoDB London HQ

London · 2022 · Workplace

Delivered the CAT A/B London HQ relocation under budget, transitioning staff with zero business disruption.
